

St Theresa's Catholic Primary
Local Offer
Special Educational Needs and Disability (SEND)

St Theresa's Catholic Primary School is an inclusive school. We ensure that pupils are included in all aspects of learning and school life throughout our school.

'We strive to support all children to enable them to achieve at school.' In order to do this many steps are taken to support them through their Learning Journey.

From time to time some children require additional support for a set period of time to help meet their needs or improve their learning. The decision to do this is made by the school and is based on a variety of factors including academic progress, and/or assessments carried out by teaching staff or other professionals. It may also be based on ensuring children have a smooth transition into school or require support when going through significant change either at home or school. Parents / carers will be informed when this happens.

Some children will require support for a longer period of time to ensure they can access the curriculum effectively and be included fully in classroom learning and school events. Support will be planned by school staff and where appropriate by external professionals. Parents / carers will be kept informed about this support.

Children who require support in terms of their acquisition of English are not considered SEND pupils but as they may require additional support their needs are reflected in our local offer.

Our Local Offer describes the range of provision and support available to support identified children as and when appropriate. This offer is subject to change depending on budgetary constraints and policy review.

Roles and Responsibilities of the Special Needs Co-ordinator (SENDco).

Our SENDco is responsible for the operation of the Special Educational Needs Policy and coordination of specific provision made to support individual children with SEND.

We liaise with staff to monitor the pupil's progress and plan further interventions where progress is slower than expected.

We regularly have contact with a wide range of external agencies that are able to give more specialised advice.

If you have any concerns regarding SEND matters do not hesitate to contact us.

- Mrs Rankin (SENDco)
- She is responsible for:

 - Safeguarding – Ensuring that every child is safe in school with regard to any aspects of their lives with may pose a threat they are uncomfortable or unhappy with.
 - Child Protection – Ensuring that staff's working environment is safe and that they are free and able to undertake their professional practice without any obstacles or distractions which might impede that.
 - The welfare of LAC
 - Ensuring children have access to an adult in school who they can trust and share any fears and concerns they may have.
 - Letting Identified Adult parents know that they can come to in confidence with regard not merely to child's education but on needs as well.

- Class Teacher
- He/ She is responsible for:
 - Ensuring that all children have access to good / outstanding teaching and that the curriculum is adapted to meet your child's individual needs (also known as differentiation).
 - Checking on the progress of your child and identifying, planning and delivering any additional help you child may need (this could be things like targeted work, additional support, adapting resources etc) and discussing amendments with the Inclusion Manager / Deputy Head as necessary.
 - Writing Individual Education Plans (IEPs), and sharing and reviewing these with parents as least once each term and planning for the next term.
 - Ensuring that all members of staff working with your child in school are aware of your child's individual needs and/ or conditions and what specific adjustments need to be made to enable them to be included and make progress.
 - Ensuring that all staff working with your child in school are helped to deliver the planned work / programme for your child, so they can achieve the best possible progress. This may involve the use of additional adults, outside specialist help and specially planned work and resources.
 - Ensuring that the school's SEND Policy is followed in their classroom and for all the pupils they teach with any SEND.
- Teaching Assistant (TA) may be allocated to some pupils with SEND
 - A teaching Assistant (TA) may be allocated to a pupil with exceptional special educational needs and/ or disabilities and whilst they take a very valuable role in your child's education we would prefer that questions regarding your child's learning and progress are directed initially to the class teacher and/ or Inclusion Manager. Of course, as a school we welcome daily dialogue between parents and TAs on how a child's day has been and we do actively encourage this continued feedback.
- Sara Johnson (Head Teacher)
- She is responsible for:
 - The day to day management of all aspects of the school, this includes the support for children with SEND.
 - She will give responsibility to the SENDco, Head of Safeguarding and Child Protection and Class Teachers but is still responsible for ensuring that your child's needs are met.

- 2. How does St Theresa's Catholic Primary School know if children need extra help?
 - We know when pupils need help if:
 - Concerns are raised by parents / carers, teachers or the child
 - Limited progress is being made

- There is a change in the pupil's behaviour or progress
- What should I do if I think my child may have special educational needs?
- The class teacher is the initial point of contact for responding to parental concerns
- If you have concerns then contact Mrs Rankin who is the SENDco
- If you have concerns regarding behaviour then contact Mrs Johnson who is Head of Safeguarding and Child Protection.

3. How will I know how St Theresa's Catholic Primary School supports my child?

- Each pupil's education programme will be planned by the class teacher. It will be differentiated accordingly to suit the pupil's individual needs. This may include additional general support by the teacher or teaching assistant in class.
- If a pupil has needs related to more specific areas of their education, such as spelling, handwriting, numeracy and literacy skills etc then the pupil will be placed in a small focus group. This will be run by the teacher or teaching assistant. The length of time of the intervention will vary according to need but will generally be for a term. The interventions will be regularly reviewed by all involved to ascertain the effectiveness of the provision and to inform future planning. These interventions will be recorded on the class provision map (this is a record of the interventions, timings, cost and impact of the intervention). If you have any queries related to the interventions please do not hesitate to contact the class teacher or SENDco.
- Pupil Progress Meetings are held each term. This is a meeting where the class teacher meets with the Senior Leadership Team to discuss the progress of the pupils in their class. This shared discussion may highlight any potential problems in order for further support to be planned.
- Occasionally a pupil may need more expert support from an outside agency such as the Children's Therapy Team, Paediatrician etc. A referral will be made, with your consent and forwarded to the most appropriate agency. After a series of assessments, a programme of support is usually provided to the school and parents / carers.
- The governors of St Theresa's Catholic Primary School are responsible for entrusting a named person, Mrs Johnson to monitor Safeguarding and Child Protection procedures. He is also responsible for the monitoring and correct administration of the Disclosure and Barring Service Procedures and the school's Single Central record. In a support and challenge roll the Governors ensure that the school is as inclusive as possible and treats all children and staff in an equitable way. They monitor and review the accessibility plan and all other statutory policies as defined by the DfE.

4. How will the curriculum be matched to my child's needs?

- When a pupil has been identified with special needs their work will be differentiated by the class teacher to enable them to access the curriculum more easily.
- Teaching Assistants (TAs) may be allocated to work with the pupil in a 1-1 or small focus group to target more specific needs.
- If a child has been identified as having a special need, they will be given an Individual Educational Plan (IEP). Targets will be set according to their area of need. These will be monitored by the class teacher weekly and by the SENDco three times per year. IEPs will be discussed with parents at Parents' Evenings.
- If appropriate, specialist equipment may be given to the pupil e.g. writing slopes, concentration cushions, pens/ pencils grips or easy to use scissors.
- If a child has been identified as having a behavioural need, a Behavioural Improvement Plan (BIP) will be created in conjunction with the child and parents. Targets will be set according to their area of need. These will be monitored by the class teacher and Mrs Johnson daily. A three way process : Child → Parent → School.

The aim of a MAM is to gain an understanding of and try to resolve a pupil's difficulties. In order to help them understand the pupil's educational needs better, the psychologist will generally meet with the parent before the assessment and give feedback after the assessment has been completed. - Resources may include deployment of staff depending on individual circumstances.

- These decisions are made in consultation with class teacher and Senior Leadership Team. Decisions are based upon termly tracking of pupil progress and as a result of assessment by outside agencies.
